6) Plan and an estimate for the work has been prepared by the Executive Engineer, Mysore. The estimate is for Rs 2880 and it has been duly countersigned by the Prok of the Mugur munsif only.

7) The cost is proposed to be met by Govt and the local and Council in equal proportions. The municipal quota amounts to Rs 1460 which is met out of the provision of Rs 3000 stated to have been made for public works in the current years budget of the municipality. The Govt share would have to be met out of the T D Grant for the current year

8) Submitted for orders

Sd 17/11 1942

9) The estimate is for Rs 2880/- including E T P charges at 18½ / Half of it would be met by the Mugur municipal and the other half i.e. Rs 1440/- may be contributed by Govt out of the T D grant during the current year. The estimate may therefore be sanctioned. The design for the town hall may also be approved.

Subject Construction of a town Hall and Municipal Office at Mugur, T Narasipur Taluk

In continuation of this office No D3 C 205/42-43 dated 25th September 1942 requesting among other things a government grant of Rs 1,500/- for the above building, I have the honour to state that Mugur in T Narasipur Taluk is a minor Municipality which had been superseded for the past 7 years The Council have commenced to function since 5-9-1942 It has a population exceeding 4900 with ample scope for further growth on account of the silk industry which is rapidly developing in this area But the Municipality does not possess a public building to serve as a Town Hall for the benefit of the Public The Municipal Office is now located in a very old, delapidated and leaky building which may collapse at any time It is therefore very desirable that a public building is constructed to serve as a Town Hall for the use of the Public and also to accommodate the Municipal Offices therein Now that the Council has been re-established a new building is all the more necessary for holding Municipal Meetings as the present one is quite unsuited for the purpose

The Executive Engineer, Mysore Division, has prepared a plan and estimate amounting to Rs 2,880/- for the work

The Municipal Council at their meeting held on 20-9-1942 have resolved that the cost of construction of the building be met by the Municipality and Government in equal proportions

The

The Municipality has sufficient surplus funds to meet a moiety of the cost

In the circumstances I recommend that a grant of Rs 1,440/- be given to the Municipality for the work out of the Town Improvement Grant for the current year as already requested

A copy of the resolution is enclosed for reference.

I have the honour to be,
Sir,
------Your most obedient servant,

Deputy Commissioner,
Mysore District
